NAPA VALLEY SAUVIGNON BLANC

Our Sauvignon Blanc is handpicked from the Hoxsey Family's Block House Vineyard in the heart of Yountville. Thought to be one of the oldest vineyards in the Napa Valley, it was named for pioneer George Yount's block house - the first Kentucky style block house west of the Mississippi.

Harvested at peak maturity in late summer, this wine exhibits the complexity and core attributes found in Yountville Sauvignon Blancs.

Fermented in 100% stainless steel, this wine evokes aromas of honeydew melon, lemon zest and apricot. Tasting immediately reveals bursts of juicy peach, lemon and citrus. The mouthfeel is an intense flavorful experience balanced by a smooth enjoyable finish.
